LED Lighting Gives More Visibility , Visibility Ensures Safety

The new LED lamps design for stylish and highly versatile mandatory and auxiliary functions on specialist vehicles. Its offers a refreshing alternative to many of the ex-designs currently available and provides extensive operational advantages including :

- ▶ Low cost and cost effective
- ▶ Reverse polarity protected to protect against incorrect wiring
- ▶ Superior vibration resistance
- ▶ Fully sealed water resistance
- ▶ Dust proof units
- ▶ Severe weather application
- ▶ Low current consumption
- ▶ Illuminate instantaneously to maximise visibility

LED SIDE LAMP

No	Order Code	Description	Voltage
1	00-15-826-00L762-EFF	LED Side Marker Lamp , Red	12 / 24 Volt
